Subject Index

A

Abstracts and issues

Abstracts and issues. 1997;17:37-8, 123-4, 163-5

Acute care

Self-report of incontinence in acute care (Schultz et al). 1997;17:23-8

Aged

Urinary outcomes in older adults: research and clinical perspectives (Palmer et al). 1997;17:2-9

Allergy; *see* **Hypersensitivity**

Alprostadil

Clinical conversations: intraurethral alprostadil (MUSE) (Bates). 1997;17:159-61 (Clin. insight)

American Urological Association Allied

Courage to care—courage to make a difference (Giroux). 1997;17:85 (Pres. message)

SUNA as an International Society (Czarapata). 1997;17:1 (Pres. message)

Anesthesia, local

Local anesthesia for prostate biopsies (Bierwirth). 1997;17:33-4 (Clin. insight)

B

BCG vaccine

Bacillus Calmette-Guerin therapy for bladder carcinoma in situ: use in a clinical setting (Skaugen). 1997;17:69-71 (Clin. insight)

Behavior therapy

Group learning behavior modification and exercise for women with urinary incontinence (Gerard). 1997;17:17-22

Key components of patient education for pelvic floor stimulation in the treatment of urinary incontinence (Gallo and Sasso). 1997;17:10-6

Biopsy

A data collection system for prostate biopsies (White). 1997;17:117-8 (Clin. insight)

Local anesthesia for prostate biopsies (Bierwirth). 1997;17:33-4 (Clin. insight)

Bladder, neurogenic

Herpes zoster as a reversible cause of neurogenic bladder (Wozniak-Petrofsky). 1997;17:119-21 (Clin. insight)

Bladder neoplasms

Bacillus Calmette-Guerin therapy for bladder carcinoma in situ: use in a clinical setting (Skaugen). 1997;17:69-71 (Clin. insight)

C

Canada

Urology nurses of Canada: a work in evolution (Madden). 1997;17:86-7

Carcinoma in situ

Bacillus Calmette-Guerin therapy for bladder carcinoma in situ: use in a clinical setting (Skaugen). 1997;17:69-71 (Clin. insight)

Career development

Developing careers despite an environment of downsizing: what worked for one nurse (Cochran). 1997;17:72-4 (Clin. insight)

Catheterization

The long way to self-catheterizing with a Zip (Haas). 1997;17:35-6 (Clin. insight)

Lubrication technique for male catheterization (Gerard and Sueppel). 1997;17:156-8 (Clin. insight)

Clinical insights

Bacillus Calmette-Guerin therapy for bladder carcinoma in situ: use in a clinical setting (Skaugen). 1997;17:69-71

Clinical conversations: intraurethral alprostadil (MUSE) (Bates). 1997;17:159-61
A data collection system for prostate biopsies (White). 1997;17:117-8
Developing careers despite an environment of downsizing: what worked for one nurse (Cochran). 1997;17:72-4
Herpes zoster as a reversible cause of neurogenic bladder (Wozniak-Petrofsky). 1997;17:119-21
Local anesthesia for prostate biopsies (Bierwirth). 1997;17:33-4
The long way to self-catheterizing with a Zip (Haas). 1997;17:35-6
Lubrication technique for male catheterization (Gerard and Sueppel). 1997;17:156-8
The multiple insurance drug formulary for the urologic nurse (McQuiston). 1997;17:154-5
The role of the business card in nursing practice (Lafrades). 1997;17:67-8
Current affairs
Current affairs. 1997;17:40, 77-82, 127-9, 169-70
Cystitis
Pharmacologic therapy for acute cystitis in adults: a review of treatment options (Karlowicz). 1997;17:106-16

D

Downsizing
Developing careers despite an environment of downsizing: what worked for one nurse (Cochran). 1997;17:72-4 (Clin. insight)

E

Editorials
Fleeting thoughts (Bates). 1997;17:133-4
Preaching to the converted (Bates). 1997;17:51-2
Education, continuing
Pharmacologic therapy for acute cystitis in adults: a review of treatment options (Karlowicz). 1997;17:106-16
Educational opportunities
Educational opportunities. 1997;17:8A, 9A, 14A, 12A
Estrogens
Estrogen in urinary incontinence treatment: an anatomic and physiologic approach (Maloney). 1997;17:88-91
The role of vaginal estrogen in the treatment of urogenital dysfunction in postmenopausal women (Bernier and Jenkins). 1997;17:92-5
Exercise therapy
Group learning behavior modification and exercise for women with urinary incontinence (Gerard). 1997;17:17-22
Key components of patient education for pelvic floor stimulation in the treatment of urinary incontinence (Gallo and Sasso). 1997;17:10-6

F

Fecal incontinence
Self-report of incontinence in acute care (Schultz et al). 1997;17:23-8
Formularies
The multiple insurance drug formulary for the urologic nurse (McQuiston). 1997;17:154-5 (Clin. insight)
Fournier's gangrene
What happened down there? Fournier's gangrene (Wang et al). 1997;17:29-32

G

Gangrene
What happened down there? Fournier's gangrene (Wang et al). 1997;17:29-32

H

Herpes zoster
Herpes zoster as a reversible cause of neurogenic bladder (Wozniak-Petrofsky). 1997;17:119-21 (Clin. insight)
Hypersensitivity
Latex allergy: a personal paradox (Romanczuk). 1997;17:135-6
Hyperthermia, induced
Understanding microwave therapy as a treatment option for benign prostatic hyperplasia (Bartkiw et al). 1997;17:53-7

I

Impotence
The prevalence of impotence after radical prostatectomy (Harris). 1997;17:142-5
Infection
What happened down there? Fournier's gangrene (Wang et al). 1997;17:29-32

L

Latex
Latex allergy: a personal paradox (Romanczuk). 1997;17:135-6
Letters to the editor
Letters to the editor. 1997;17:9, 103
Long-term care
Urinary outcomes in older adults: research and clinical perspectives (Palmer et al). 1997;17:2-9
Lubrication
Lubrication technique for male catheterization (Gerard and Sueppel). 1997;17:156-8 (Clin. insight)

M

Microwaves
Understanding microwave therapy as a treatment option for benign prostatic hyperplasia (Bartkiw et al). 1997;17:53-7

N

New products
New products. 1997;17:41, 130

O

Outcome assessment
Urinary outcomes in older adults: research and clinical perspectives (Palmer et al). 1997;17:2-9

P

Patient education
Key components of patient education for pelvic floor stimulation in the treatment of urinary incontinence (Gallo and Sasso). 1997;17:10-6
Patient satisfaction
The role of the business card in nursing practice (Lafrades). 1997;17:67-8 (Clin. insight)
Pelvic floor
Key components of patient education for pelvic floor stimulation in the treatment of urinary incontinence (Gallo and Sasso). 1997;17:10-6
Perineum
What happened down there? Fournier's gangrene (Wang et al). 1997;17:29-32
Postmenopause
The role of vaginal estrogen in the treatment of urogenital dysfunction in postmenopausal women (Bernier and Jenkins). 1997;17:92-5
President's message
Courage to care—courage to make a difference (Giroux). 1997;17:85
SUNA as an International Society (Czarapata). 1997;17:1
Professional enhancement
1997 SUNA Conference Brochure. 1997;17:44-50
Abstracts and issues. 1997;17:37-8, 123-4, 170-2
Current affairs. 1997;17:40, 77-82, 127-9, 169-70
Educational opportunities. 1997;17:8A, 9A, 14A, 12A
Getting ready for certification. 1997;17:39, 75-7, 122
On leadership. 1997;17:42, 83-4, 131, 171-2
Medication minute. 1997;17:166-8
New products. 1997;17:41, 130
Prostate
A data collection system for prostate biopsies (White). 1997;17:117-8 (Clin. insight)
Local anesthesia for prostate biopsies (Bierwirth). 1997;17:33-4 (Clin. insight)
Prostatectomy
The prevalence of impotence after radical prostatectomy (Harris). 1997;17:142-5
Prostatic hypertrophy
Medical management of benign prostatic hyperplasia (Gray and Allensworth). 1997;17:137-41
Understanding microwave therapy as a treatment option for benign prostatic hyperplasia (Bartkiw et al). 1997;17:53-7
Prostatic neoplasms
The effectiveness of a professionally led support group for men with prostate cancer (Grégoire et al). 1997;17:58-66

Q

Quality of life
Quality of life improvement and the reliance urinary control insert (Gallo et al). 1997;17:146-53
Quality of life tools for assessment of urinary incontinence (Valerius). 1997;17:104-5

R

Research
Urinary outcomes in older adults: research and clinical perspectives (Palmer et al). 1997;17:2-9

S

Social support
The effectiveness of a professionally led support group for men with prostate cancer (Grégoire et al). 1997;17:58-66
Society of Urologic Nurses and Associates
SUNA as an International Society (Czarapata). 1997;17:1 (Pres. message)
1997 SUNA Conference Brochure. 1997;17:44-50

U

Urinary catheterization
Lubrication technique for male catheterization (Gerard and Sueppel). 1997;17:156-8 (Clin. insight)
Urinary incontinence
Estrogen in urinary incontinence treatment: an anatomic and physiologic approach (Maloney). 1997;17:88-91
Group learning behavior modification and exercise for women with urinary incontinence (Gerard). 1997;17:17-22
Key components of patient education for pelvic floor stimulation in the treatment of urinary incontinence (Gallo and Sasso). 1997;17:10-6
The psychosocial impact of urinary incontinence on women aged 25 to 45 years (Valerius). 1997;17:96-103
Quality of life improvement and the reliance urinary control insert (Gallo et al). 1997;17:146-53
Quality of life tools for assessment of urinary incontinence (Valerius). 1997;17:104-5
Self-report of incontinence in acute care (Schultz et al). 1997;17:23-8
Urinary outcomes in older adults: research and clinical perspectives (Palmer et al). 1997;17:2-9
Urogenital system
The role of vaginal estrogen in the treatment of urogenital dysfunction in postmenopausal women (Bernier and Jenkins). 1997;17:92-5
